

# 2023 CATALOGUE

For the curious

Dear Reader,

Welcome to DK's 2023 catalogue.

With our 50th anniversary fast approaching, we're gearing up to deliver some brilliant books for your customers, your family, your classroom, or even your own bookcase.

This year we have worked with hundreds of talented experts and authors to bring you books that offer awe-inspiring knowledge and facts to adults and children of all ages, allowing a variety of voices to be heard, and helping people find their passions.

DK is proud to be different; we have produced the world's most-read and most-loved award-winning encyclopedias and reference books. Copied by many, but never quite matched, DK's stunning visual compendiums each feature hundreds of specially commissioned photographs and illustrations, with cutting-edge knowledge and awe-inspiring facts.

We are world leaders in the Education market, and look forward to releasing our new collections with the freshly launched DK Learning, and our partner Phonic Books.

I cannot wait to share our exciting list with you. So turn the pages of our world-leading books and find your passion with DK.

Rebecca Smart, Co-CEO, DK

Dive into the world of art in collaboration with The Metropolitan Museum of Art. Each title in the series takes inspiration from art, history, and culture to draw readers into the worlds curated by The Met.

Specially commissioned text and illustration is informed by the Museum's unparalleled staff, works from their collection, and archival assets to illustrate and explore 5,000 years of art as never seen before. See how iconic artists like Frida Kahlo and Edgar Degas were influenced by their environments and be inspired to create your own artworks.
