# CHAMPAGNE

## THE ESSENTIAL GUIDE TO THE WINES, PRODUCERS AND TERROIRS OF THE ICONIC REGION

PETER LIEM

From the expert behind the top-rated resource ChampagneGuide.net comes this groundbreaking guide to the modern wines of Champagne. Housed in a luxurious box set, it includes a pull-out drawer with vintage wine maps of the region and lush location photography by star photographers Genty and Hyers.

Champagne is one of the most iconic, sought-after wines in the world, beloved by serious wine collectors as well as everyday wine drinkers. However, Champagne is also one of the most misunderstood wines out there - obscured by a multimillion-pound marketing industry that makes it difficult for consumers to honestly judge value and understand what they're drinking.

Based on six years of on-the-ground research and unprecedented access to actual Champagne growers, **CHAMPAGNE** is the first book to actually describe producers and wines based on their terroir - enlightening readers by showing them exactly where, how and by whom these great wines are made. Included in the stunning box set are the Louis Larmat vinicultural maps - the only detailed wine maps of the region - which were commissioned by the French government in the mid-1940s and have never appeared in print in English.

PETER LIEM

is an American wine writer and the author of ChampagneGuide.net. Following nearly a decade in the wine trade, he was a senior editor, critic, and tasting director for *Wine & Spirits* and his writings on sherry, Champagne, and other wines have appeared in publications such as *The World of Fine Wine*, *The Art of Eating* and the *San Francisco Chronicle*. He lives in Champagne.
