

MEET THE ARTIST: SOPHIE TAEUBER-ARP

Zoé Whitley and Lesley Barnes

A successful Swiss artist, Sophie Taeuber-Arp was also a dancer, designer, puppet-maker, architect and editor. She was a pioneer of modern art: for her, abstraction was more than just an idea – it was her way of life.

Enter into the vivid world of Dada art and create your own original artwork as you go. Experiment with poetry and abstract collage; make your own puppet or create a stained-glass tealight; have a go at weaving on a DIY loom; even make your own jewellery inspired by Taeuber-Arp!

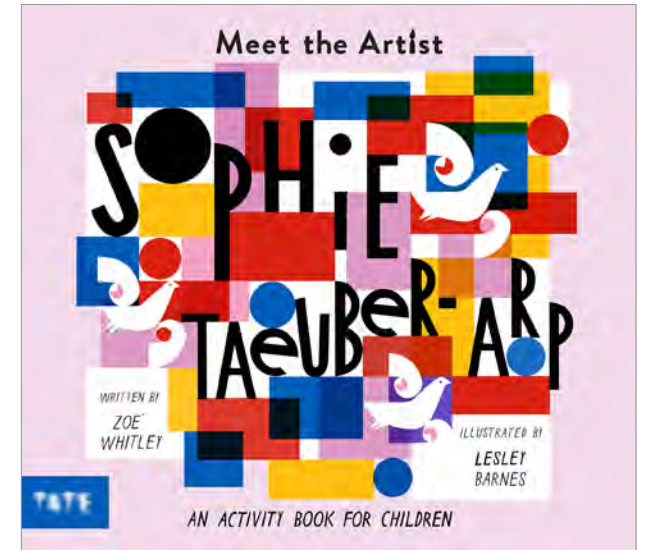

Be guided through Taeuber-Arp's world by Zoé Whitley and Lesley Barnes, and make, design and experiment along the way!
