 Price: € 39.90 (D) £ 35 \$ 60  
 ISBN: 978-3-89955-987-3

RELEASE: SEPTEMBER 2019

Plating—the art of presenting food on the plate—is brought to life for amateurs and pros alike, with spectacular photography and how-to's for creating a visual feast with exquisitely arranged dishes.

NEW

SAMPLE COVER

Delicious food lives through presentation as much as taste, and creatively displaying food on a plate can turn a great dish into an artwork. In plating, a dish of food is transformed into a feast for the senses. Playing with contrasting textures, color hues, and aromas, this is a skillful culinary art that spans global cuisine.

*Story On A Plate* introduces world renowned chefs and food stylists who guide you through the process of plating, step-by-step, from main dishes and appetizers to desserts. *Story On A Plate* opens up this gastronomic art form for both the amateur chef at home and the pro, and allows you to imaginatively and skillfully serve your own culinary creations.
