Compiling the world's best surf photographers, *Surf Porn* is a visual impact on the true essence of surfing.

Best surf conditions or the rarity of a perfect session is what makes surfing so unique and intense. In *Surf Porn*, not only the right swell, wind, tide, and weather are important but also the right light.

This book curates the work of some of the most famous surf photographers, capturing the most astonishing scenes from the rarest surfing spots on our blue planet.

In the end, *Surf Porn* makes the reader understand how surfing creates such an intense mix of joy, adrenaline, and well-being. And it definitely creates a deep longing for the next perfect and unhidden wave.

WHAT TO EXPECT

- Impressive imagery of unknown surf spots
- A well sorted collection of some of the best surf and nature photographers worldwide

From an early age, French native **GASPARD KONRAD** was fascinated by the beauty of the ocean and surfing. Passionate about surf photography, he started to collect images before social media was born. Sharing them one day on Instagram resulted in hundreds of thousands of surf_porn followers. KONRAD dedicated his life to the environment by founding WeFix, a fast-growing company specialized in repairing smart devices. He is also an active member of the Surfrider Foundation's Blue Collective.

Style is a surfer's personal expression of the wave riding experience. It's what happens when the craftsmanship of a board shaper meets the athleticism and artistry of a surfer drawing lines on the ever-changing canvas of a breaking wave.
