Een briljant stadsbeeld

A wide-angle photograph of a bridge deck at dusk. The sky is a deep, dark blue. In the center, two tall, white pillars support illuminated blue signs that read 'ANTWERPEN'. A wooden bench is positioned in front of the pillars. To the left, a building with a glass facade and a dome is visible. The bridge deck is paved and shows some wet patches. A metal railing runs along the right side of the deck. The overall atmosphere is quiet and serene.
